This permit authorizes the movement of above described vehicle of legal weight during the Feb 1st thru May 1st 5 ton posting period on APPROVED County and Township Highways. This permit does not allow for the movement of oversized or overweight vehicles. The Iroquois County Highway Department retains the right to revoke this permit if road conditions deteriorate. The Iroquois County Highway Department will notify the permit holder by email, or via the county website (<http://www.co.iroquois.il.us/>) if the permit is revoked. When road conditions allow the permit will be reinstated. Such decisions are at the discretion of the county engineer. If applicable fees are not paid within 10 days from issue date, permit will be revoked and no further permits issued until all fees are paid for in advance.
