**STATE OF ILLINOIS  
IROQUOIS COUNTY**

County Board, Recessed Session  
October 11, A.D., 2005

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Health Services** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on October 3, 2005 at 9:00 A.M. Members present were John Dowling, John Wilkening, Kathy Ebert, Donna Wasmer, Betty Busick, and Alan DeWitt. Also present were Ron Schroeder, County Board Chairman; Dr. James Finnell, Animal Control Administrator; and Lou Ellen Strong, Executive Director of the Arc of Iroquois County.

Brian Martell, Solid Waster Coordinator, was unable to attend because he is attending a Solid Waste conference out of state.

The Committee reviewed the Animal Control Report submitted by Dr. Finnell. There were a total of 9 stray dog calls, 5 bite cases, 2 welfare and nuisance calls and 22 dogs impounded for the month of September.

Dr. Finnell gave an update concerning the new Animal Control Act which has passed and been signed by the Governor. He feels many clarifications will be made over the next three months. One of the main concerns has to do with who will administer the Animal Population Control Fund and who will collect fees. At this time, it is to be administered by the State Department of Public Health, but there are many aspects of the law which need to be addressed. One potential problem is a reduction of animals that are vaccinated because of the additional costs to owners. Dr. Finnell intends to alert the public to these fee increases before January 2006. He plans to write a newspaper article and have it approved by David Perzee, County Treasurer, and States Attorney Jim Devine.

Dr. Finnell informed the Committee the variances in the Hammil case were denied and the County's Kennel Law was deemed as professional by a federal court. Ms. Hammil was pursuing a variance for a kennel and setback.

Dr. Finnell spoke to the Committee regarding a disaster preparedness plan for animals. He said a plan was submitted to Civil Defense five years ago. He and ESDA Director Carl Gerdovich have discussed the issue. He said approximately 6,000 dogs are registered in Iroquois County, but there are probably as many as 8,000 and about the same number of cats. The first priority would be to take an inventory of the number of animals in the county.

Lou Ellen Strong, Executive Director of The Arc of Iroquois County, distributed copies of the Quarterly Report for the Developmentally Disabled to the Committee. She spoke about the "Greenhouse Project" which continues to move forward. This is a campaign to convert an old farm building into a greenhouse. Local 4-H groups and Master Gardeners have worked together with The Arc on this project. Mrs. Strong also told the Committee about a new project called Patio Pals which are available at Moments Remembered and will also be sold at The Arc's Craft and Food Fair on October 29<sup>th</sup> at Celebrations in Watseka.

Mrs. Strong spoke about the many programs which are part of The Arc, one of which is the Supported Employment Program, currently serving 46 people. This program is celebrating 20 years of providing supports for people with disabilities to find and retain community employment. She also talked about the Early Intervention Program which recently lost a speech therapist leaving eight families without this service. The children served are currently on a waiting list for speech therapy.

Mrs. Strong said there are currently 16 Community Integrated Living Arrangement sites or CILA's in Iroquois County serving 57 individuals. A new employee who is an LPN has been hired adding to the team of 5 nurses. Each person residing in a CILA now has his or her own primary nurse which maximizes supports to the people and the staff supporting them. The Individual &

Family Support & Respite Program currently serves 43 people. The Arc will host a seminar presented by Brian Rubin on October 27<sup>th</sup>, the topic to be addressed will be “Special Needs Future Planning”, which will include government benefits, wills and trusts, necessary provisions in case of divorce, adult guardianship, communication, and transition planning.

In other matters, Mrs. Strong said she is happy to report the staff turnover at The Arc is much lower than the statewide average. She noted several training programs are in place and there is a mentor program for new employees which pairs them with a more experienced staff member. The Arc partnered with Sugar Creek Symphony and Song by hosting rehearsals for the cast of Rossini’s Cinderella July 16-31, the orchestra also held rehearsals at the R.P. Roberts Center. In exchange for use of the facilities, 20 people The Arc supports were guests at the final dress rehearsal. Mrs. Strong also said four program directors from The Arc of Iroquois County attended a regional quality conference in Chicago on Aug.31 & Sept.1 presented by The Council on Quality Leadership. The Arc has been accredited with this organization since 1997.

The Executive Director from The Arc of Illinois met with the Iroquois County ARC Board of Directors in August to discuss the importance of selecting a new executive director. Mrs. Strong said she plans to retire in the near future.

The Committee reviewed the claims. It was moved by Kathy Ebert and seconded to pay the bills subject to County Board approval. Motion carried.

As there was no further business to come before the Committee, a motion was made by Kathy Ebert and seconded to adjourn at 9:57 A.M. Motion carried.

All of which was respectfully submitted.

## IROQUOIS COUNTY

County Board, Recessed Session  
October 11, A.D., 2005

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Judicial & Public Safety** would beg leave to submit the following report on the matters before them:

Your Committee met at the Courthouse on October 5, 2005, at 9:00 A.M. Members present were Rick Curtis, John Kuntz, Alan DeWitt, Betty Busick, Susan Wynn, David Pree, and Phyllis Jameson. Also present were Judge Gordon Lustfeldt; Arlene Hines, Circuit Clerk; Carl Gerdovich, ESDA Coordinator; Undersheriff Derek Hagen; Bill Cheatum, Coroner; Mike Sabol, Assistant State's Attorney; and Ron Schroeder, County Board Chairman.

Judge Gordon Lustfeldt reported on expensive expert sex offender claims for several cases. He will send in to the State for reimbursement.

Arlene Hines, Circuit Clerk, distributed her report for September 2005 and answered questions.

Coroner Bill Cheatum gave his report for September 2005. There were no inquests, one inquest pending, nine coroner's certificates issued, fifteen coroner calls transferred to medical death certificates, and five cremation permits issued.

Bill reported his computer is still down from last month. He will be obtaining a computer from 911. It will be programmed and set up by next week.

Undersheriff Derek Hagen reported on the following:

, The Aramark food service program at the jail began October 1<sup>st</sup>. The current cook at the jail declined the position of part-time cook for Aramark.

, \$10,000 from an insurance claim was used towards the purchase of three new squad cars which will be on the road next week.

, Two correctional officers have been hired to replace the two COs who have quit to take positions elsewhere.

, The department has applied for a grant for a new finger printing machine. The current finger printing machine was purchased from a grant in 2000; since that time they have been enhanced. The grant will cover approximately 75% of the \$19,000 machine.

, Derek discussed the methamphetamine problem in Iroquois County. He said in addition to using anhydrous ammonia; propane tanks and fire extinguishers are now being used. Derek also reported five officers are certified for meth clean up. Derek will be attending a site safety school in two weeks in which all expenses will be covered.

Mike Sabol, Assistant State's Attorney, was present to answer questions for the State's Attorney's office.

Carl Gerdovich, ESDA Coordinator, distributed his report for September 2005 and answered questions. He reported on November 10<sup>th</sup>, an exercise for mass distribution of medicines for bio-terrorism will held at the Iroquois County Fairgrounds. Additionally, he said the county needs an emergency operation center (EOC) in the event of an emergency situation. Several ideas were discussed, no decisions were made.

The Committee briefly discussed mileage reimbursement. County Board Chairman Ron Schroeder is researching.

The Committee reviewed the claims. It was moved by John Kuntz and seconded to pay the bills subject to County Board approval. Motion carried.

As there was no further business to come before the Committee, it was moved by Betty Busick and seconded to adjourn at 10:52 A.M. Motion carried.

All of which is respectfully submitted.

### **TAX**

Mr. Haynes, Chairman of the Tax Committee, gave the report of his Committee and moved for adoption. The motion was seconded and carried by a roll call vote.

### **STATE OF ILLINOIS IROQUOIS COUNTY**

Roll Call and Votes in Iroquois County

Recessed Session, October 11, 2005

Chairman Schroeder

On Motion to approve Tax Committee report

Aye: Benjamin, Bills, Busick, DeWitt, Dowling, Ebert, Hansen, Haynes, Hiles, Hurt, Jameson, Kuntz, Lemenager, Luecke, Meyer, Mowrey, Pree, Schmidt, Schultz, Wasmer, Wilkening, Wynn

Absent: Curtis, Schuldt

### **STATE OF ILLINOIS IROQUOIS COUNTY**

County Board, Recessed Session

October 11, A.D., 2005

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Tax** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on October 4, 2005, at 9:00 A.M. Members present were Jerry Haynes, John Kuntz, David Pree, Dale Schultz, Kevin Hansen, Alan Benjamin, Jim Hurt, and Kathy Ebert. Also present were Jerome Manos, Chief County Assessment Officer; David Perzee, Treasurer; Tom Tuntland, County Programmer; Donna Schmitz, Director of Data Processing; Finance Chairman Lowell Schmidt; and County Board Chairman Ron Schroeder.

Jerome Manos, Chief County Assessment Officer, reported he attended the annual Supervisor of Assessments meeting with the Department of Revenue in Springfield on September 27<sup>th</sup>. He noted two positions have been filled in the Local Government Services Bureau and he anticipates improved communication with them.

Jerome said the hearing date for the tentative equalization factor will be October 19<sup>th</sup> in Springfield. The tentative factor is 1.0000, which is one of the requirements that must be met in order to receive reimbursement from the State for 50% of Jerome's salary.

The Board of Review will stop taking written complaints on October 6<sup>th</sup>. They will complete their work and mail notices of their tentative decisions. A five-day appeals session will then be scheduled.

County Programmer Tom Tuntland said the better part of his time this past month has been devoted to the internet and email problems. The process of cleaning up the problems has begun with a "users list" submitted by each department head. From this information Tom is working on a schematic which will be used to easily identify all users. Tom estimates approximately 70 computers with internet access on the T-1 line, including county offices as well as "renters". The Committee discussed the management options, as well as cost issues. It was the consensus of the Committee to put \$5,000, if possible, in a separate contingency fund for whatever costs may be incurred in solving and managing the internet problems. The Policy and Procedure Committee will continue to study and develop the needed solutions and policies regarding internet use.

Donna Schmitz, Director of Data Processing, reported along with normal duties for this time of year, she has been working on the new telephone systems and directories, fine-tuning the budget, and has had numerous insurance meetings.

Treasurer David Perzee said "friendly reminders" were mailed to taxpayers approximately 1 ½ weeks ago. All unpaid taxes have been published in local newspapers and certified letters are being mailed to property owners.

The Committee reviewed the claims. It was moved by Kathy Ebert and seconded to pay the bills subject to County Board approval. Motion carried.

As there was no further business to come before the Committee it was moved by John Kuntz and seconded to adjourn at 10:28 A.M. Motion carried.

All of which is respectfully submitted.

Absent: Curtis, Schuldt

## **STATE OF ILLINOIS**

### **IROQUOIS COUNTY**

County Board, Recessed Session

October 11, A.D.,2005

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Management Services** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on October 4,2005, at 1:30 P.M. Members present were Harriet Mowrey, Wayne Hiles, Lowell Schmidt, Merle Lemenager, and Beryl Luecke. Also present was Larry Pankey, Maintenance Supervisor.

The Committee discussed the T-1 high speed internet line and expressed some concern at the large number of computers with internet access. The general consensus of the Committee was there are too many people with internet access and justification for internet use is needed. It was noted some departments must have internet access such as the States Attorneys office and Probation.

Larry Pankey was asked about the budget on heating and if it included factoring in the effects of the hurricane. He informed the Committee there is a two year contract on heating and the cost is \$.72 per therm, which is a good price compared to many others. He also said the Honeywell boxes which control cold air coming into sections of the building have been repaired and are now working properly and this will save money in the future.

In response to a question concerning a bill from Aquality, Larry said the amount was to be dropped down to \$66.00 because a larger amount had been paid last month. Additionally, he said extra spraying by Angel Pest Control was needed around all three buildings and power-spraying was also done because the crickets and beetles were especially bad in some areas.

He stated the Courthouse roof should be done next week and will take approximately one and a half days to complete; however, the drains need to be worked on before the roof. Larry said the handicap accessible door has been installed and should alleviate some of the problem. He noted the automatic door is being used quite often.

In other matters, the new phone system will be finished on October 5<sup>th</sup> and instructions on phone usage will be given to all individuals. A stereo has been purchased so the caller will now hear music when they are put on hold during a call. In regard to caller ID, it was recommended the department heads decide if they want this feature in their respective offices. The offices of KCC, USDA, and IARDS have their own phone systems, but all others are on the same system.

Larry took the Committee members on a tour of the KCC office where new tiles and carpet have been installed and some other improvements have been completed.

The Committee reviewed the claims. It was moved by Wayne Hiles and seconded to pay the bills subject to County Board approval. Motion carried.

Larry expressed his concern about the length of time it is taking to get his medical bills paid by Worker's Comp. It was suggested a letter from the States Attorneys office may help. It was also suggested it may be appropriate to initiate some direct contact with the insurance company.

As there was no further business to come before the Committee, it was moved by Lowell Schmidt and seconded to adjourn at 2:12 P.M. Motion carried.

All of which is respectfully submitted.

s/Harriett Mowrey  
s/Beryl Luecke  
s/Lowell Schmidt  
s/Merle Lemenager  
s/Wayne Hiles

### **FINANCE**

Mr. Schmidt, Chairman of the Finance Committee, gave the report of his Committee and moved for adoption. The motion was seconded and carried by a roll call vote.

### **STATE OF ILLINOIS IROQUOIS COUNTY**

Chairman Schroeder

On Motion to approve Finance Committee report

Aye: Benjamin, Bills, Busick, DeWitt, Dowling, Ebert, Hansen, Haynes, Hiles, Hurt, Jameson, Kuntz, Lemenager, Luecke, Meyer, Mowrey, Pree, Schmidt, Schultz, Wasmer, Wilkening, Wynn

Absent: Curtis, Schuldt

### **STATE OF ILLINOIS IROQUOIS COUNTY**

County Board, Recessed Session

October 11, A.D., 2005

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Finance** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on October 6, 2005, at 9:00 A.M. Members present were Lowell Schmidt, Russell Bills, Susan Wynn, Phyllis Jameson, Jim Meyer, and Jerry Haynes. Also present were Jim Devine, State's Attorney; David Perzee, Treasurer; Donna

Schmitz, Director of Data Processing; Mark Henrichs, County Clerk; Ron Schroeder, County Board Chairman; Roger Schuldt, Schuldt Insurance; and Erin Doss from the *Times Republic*.

Roger Schuldt, Schuldt Insurance, reported a claim has been submitted for the Public Health Department which was struck by lightning on September 14<sup>th</sup>. Roger said he does not know the exact extent of the damage, but it appears it will be a large claim. Additionally he reported a 2000 Jeep Grand Cherokee and three 2005 Chevy Impalas have been added for the Sheriff's Department and a 1998 Chevy Lumina has been deleted.

State's Attorney Jim Devine said in answer to recent questions regarding mileage allowance, a resolution was approved in 2000 which would allow the mileage reimbursement to change according to the Internal Revenue Code. The original resolution language said the change could take place "from time to time". This wording had been crossed out and changed to read "effective each December 1<sup>st</sup> thereafter". There was some question then as to when the allowance amount could be changed. The IRS increased the allowance to 48.5 cents per mile in September. Jim said because the change on the resolution was neither dated or initialed he would not recognize it and therefore the language would be "from time to time". Any mileage incurred after last month's full County Board meeting should be paid at 48.5 cents per mile. The State's Attorney said he would prepare a new resolution for approval in order to clean it up.

County Board member Jerry Haynes requested that the State's Attorney also work on finalizing the Panda abatement agreement, as the project continues to move forward. He said Jim will also need to assist County Programmer Tom Tuntland regarding language for the proposed network users agreement for County employees.

The Committee reviewed the claims. It was moved by Phyllis Jameson and seconded to pay the bills subject to County Board approval. Motion carried.

Treasurer David Perzee reported at this time just under 2% of the property tax bills remain unpaid. He said this is normal and average for most counties.

County Clerk Mark Henrichs reported he has attended a state-wide conference concerning the HAVA requirements for handicapped voting devices. Mark also said he has applied for an extension of the application deadline made available by the State Board of Elections. An extension of the deadline will allow time for additional devices to be approved by the SBE and will result in a wider selection of equipment for purchase.

The Committee reviewed and made adjustments to the proposed 05/06 budget. The recommended budget shows a surplus of approximately \$860. Finance Chairman Lowell Schmidt reminded Committee members a budget is a guide; it is likely some line items will exceed the budgeted amount. The recommended budget will be placed on file in the County Clerk's Office for 30 days.

As there was no further business to come before the Committee, it was moved by Susan Wynn and seconded to adjourn at 10:45 A.M. Motion carried.

All of which is respectfully submitted.

Absent: Curtis, Ebert, Kuntz, Schuldt

**STATE OF ILLINOIS**  
**IROQUOIS COUNTY**

County Board, Recessed Session

October 11, A.D., 2005

Mr. Chairman and Members of the County Board:

Your Committee to whom was referred **Planning & Zoning** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on October 7, 2005, at 9:00 A.M. Members present were Alan Benjamin, Merle Lemenager, Beryl Luecke, Dale Schultz, Donna Wasmer, Jim Meyer, and Harriett Mowrey. Also present were Zoning Administrator Gloria Schleef; Debbie Wright, Chief Deputy Zoning Clerk; and Erin Doss, from the *Times Republic*.

Gloria Schleef reporting on the following:

- Copies the of Revenue Report for Yearly Expenses and Receipts were distributed. Gloria will continue to do so each month. It was noted receipts were up from previous months.
- A Freedom of Information request was received from The Crescent Lot Owner's Association for the number of sheds requiring Health Department requests. Gloria answered the questions and forwarded to State's Attorney Jim Devine for review.
- The International Code should be adopted for building requirements. Hearings will be needed to adopt. A meeting is scheduled on the International Code and will be held in Champaign on October 26<sup>th</sup>. Gloria is planning to attend. If anyone is interested in attending, contact Gloria. The seminar is free to government officials.
- There were several suggestions for bringing in more revenue: Lending Institutions requiring occupancy permits; Habitable Dwelling Inspections; Certificate of Occupancy; Code Enforcement; Regional Planning-charging a fee per application; Registration fee for Contractors. Discussed at length was charging an applicant a \$100 application fee for presenting their rezoning request to the Regional Planning Commission. This fee should help alleviate the number of times an applicant changes plans and re-attends meetings. The applicant would then be charged \$100 **per** change and it would be the discretion of the Zoning Department as to whether a plan has a "change" or an "addition" prior to a meeting. Revisions also would only be accepted two weeks prior to a scheduled meeting, since copying of documents to prepare for the meeting is time consuming and those changes would be carried over to the following month's meeting. The Committee also discussed at length, charging contractors conducting business in Iroquois County a registration fee of \$25. It was moved by Jim Meyer and seconded to charge \$100 per Regional Planning request application [*and a \$25 registration fee to contractors who do business in Iroquois County,*] effective December 1, 2005. Motion carried. (*The above bracketed clause removed and sent back to Committee per action of the full County Board on October 11, 2005.*)
- Marvin Perzee has been sent several letters pertaining to a permit for a fairground building and has not responded. Mr. Perzee was informed a permit would be issued at no-charge and will not be assessed. After brief discussion, it was moved by Merle Lemenager and seconded to have the State's Attorney contact the President of the Fair Board to get compliant with the building permit requirements. Motion carried.
- There was some discussion on using a credit card company to allow customers to charge various fees from the Zoning Office. After giving the matter consideration, it was determined it would not be feasible to do so. Should a customer like to charge

fees during a business day, the Treasurer could access the credit card company for such purpose, otherwise cash or check is acceptable.

Following a brief recess, a public hearing was called to order by Chairman Benjamin for the purpose of hearing two Rezoning requests.

Attorney Patrick Murphy spoke on behalf of Arthur & Phyllis Murray who could not be present. The Murray's have purchased 12.12 acres in Belmont Township and would like to rezone to Rural Homestead with a variance for acreage to build a single family dwelling. The parcel is wooded with a small wetlands in the middle and zoned A-1. The building would be on either the north or south side of the property. Following discussion, it was moved by Harriett Mowrey and seconded to **approve** the Rezoning to Rural Homestead with a variance for acreage. Roll call vote. Motion carried unanimously.

Scott Slager is requesting to rezone from A-1 to Rural Homestead on a 20-acre parcel in Chebanse Township to build a single family dwelling. The dwelling would be built on the north end of the property which is the highest point. The property consists of grass, alfalfa mix, and hay. Mr. Slager's plan is to build the home and leave the rest of the property as is, as there are numerous mature trees on the property. He would like to have the remaining portion of the property farmed. Following discussion it was moved by Dale Schultz and seconded to **approve** this rezoning from A-1 to Rural Homestead. Roll call vote. Motion carried unanimously.

Gloria discussed the inspectors fees with the Committee. Currently, they are receiving a flat fee without mileage reimbursement. The matter was referred to the Finance Committee.

The Committee reviewed the claims. It was moved by Jim Meyer and seconded to pay the bills subject to County Board approval. Motion carried.

As there was no further business to come before the Committee, a motion was made by Beryl Luecke and seconded to adjourn at 11:05 A.M. Motion carried.

All of which is respectfully submitted.

s/Alan Benjamin  
s/Merle Lemenager

STATE OF ILLINOIS  
IROQUOIS COUNTY

County Board, Recessed Session  
October 11, A.D., 2005

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Transportation & Highway** would beg leave to submit the following report on the matters before them:

Your Committee met at the Iroquois County Highway Building at 9:00 A.M. on Friday, October 7, 2005. Members present were: John Wilkening, Chairman, Russell Bills, Wayne Hiles, and John Devine, County Engineer.

Bids for Section 05-14129-00-BR/05-22129-00-DR, Loda/Pigeon Grove Road Districts, were opened and read. Committee members present recommended awarding the bid to Gray's Material Service.

The Committee examined the claims and financial reports for the month of September, 2005. After reviewing all claims, it was recommend to pay the following claims, subject to County Board approval.

County Highway	\$40,651.08
County MFT	\$27,604.60
County Bridge	\$ 7,959.07
County Matching	\$ 9,780.00
Township MFT	\$49,407.78
State Constr. & Engr.	\$34,991.73

It was the consensus of the Committee to recommend that the County Board accept a Petition for County Aid for Bridge No. 49 in Martinton Township.

As there was no further business to come before the Committee the meeting adjourned at 10:05 A.M.

All of which is respectfully submitted.

s/John Wilkening  
s/Russell Bills  
s/Wayne Hiles

**STATE OF ILLINOIS  
IROQUOIS COUNTY**

County Board, Recessed Session

October 11, A.D., 2005

Mr. Chairman and Members of the County Board:

Your Committee to whom was referred **Policy & Procedure** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on September 26, 2005, at 9:00 A.M. Members present were Ron Schroeder, John Wilkening, Lowell Schmidt, John Dowling, Beryl Luecke, Rick Curtis, Alan Benjamin, and Jerry Haynes. Also present were Bob Farris, Veterans Assistance Commission; Nita Dubble, Iroquois County ETSB; Mike Power and Barb King, Probation Department; Carl Gerdovich, ESDA; Gloria Schleef, Zoning Office; Jerome Manos, Assessment Office; Donna Schmitz and Tom Tuntland, Data Processing; Tina Acree, Iroquois Development Association; Debbe Schultz, Iroquois Area Regional Delivery; Patty Devany, Workforce Investment Act; Amy Hufford, State's Attorney's Office; Eldon Sprau, Sheriff's Department; David Perzee, Treasurer's Office; Bill Cheatum, Coroner's Office; Judge James Kinzer; Arlene Hines, Circuit Clerk's Office; Mark Henrichs, County Clerk's Office; and Barb Witte, County Board.

The Policy and Procedure Committee met in special session to specifically discuss technology problems which have recently come to the attention of the Board. The problem was detected when outgoing county emails were blocked by Spamhaus, an anti-spam service company used by the IKAN Regional Office of Education. It was discovered a computer on the County network was unknowingly infected by a virus and began to sent out hundreds of spam messages. As a result, Spamhaus blacklisted all emails containing iroquois-county.com, which includes everyone connected to the T-1 highspeed internet line.

The IKAN Regional Office of Education has an agreement with ICN, Illinois Century Network, for access to the T-1 line. The County pays a monthly fee of \$248 to use IKAN's access to the line. Users include offices in the Administrative Center, the Courthouse, and ICOM. County Programmer Tom Tuntland explained the problem must be identified, corrected, and prevented from

happening again. A comprehensive anti-virus policy should be in place, kept current, and centrally managed in some way. All users should be identified, and to protect county assets, should sign and abide by a users agreement. He said at this time, he has only a rough idea of current users. A technician will require a diagram of all users. As a first step, all offices were provided with forms to complete to compile an internet asset client base. This information must be completed by Friday, September 30<sup>th</sup> so that Tom can complete a diagram of users and report back to the Policy & Procedure Committee on October 7<sup>th</sup>. At that time the Committee will decide what direction to take in order to fix this problem. Chairman Schroeder said there will be cost involved in cleaning up and resolving the problem. He asked if office holders were willing to contribute to the cost, possibly based on their number of users. There were no objections to working out a fair cost share policy. Offices were also asked to complete and sign a participation agreement from Illinois Century Network.

As there was no further business to come before the Committee, it was moved by John Dowling and seconded to adjourn at 10:18 A.M. Motion carried.

Respectfully submitted.

STATE OF ILLINOIS

## IROQUOIS COUNTY

County Board, Recessed Session  
October 11, A.D., 2005

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Policy & Procedure** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on October 7, 2005, at 11:30 A.M. Members present were Ron Schroeder, John Wilkening, Harriett Mowrey, Alan Benjamin, Jerry Haynes, John Dowling, and Lowell Schmidt. Also present were John Devine, County Engineer; Tom Tuntland, County Programmer; Barb Witte, Administrative Assistant to the Board; Nita Dubble, 911 Coordinator; Gloria Schleef, Zoning Administrator; and Jim Devine, State's Attorney.

Chairman Schroeder said FOP Probation Negotiations have begun. Three more meetings are scheduled at this time and will take place in Kankakee County. Board members Jim Meyer and Lowell Schmidt will attend the meetings with Ron Schroeder and John Wilkening as alternatives.

Each Committee member highlighted their report and answered questions. Further discussion was held concerning the registering of contractors doing business in Iroquois County. Additionally, the Committee briefly discussed possible sites for the ESDA Emergency Operations Center (EOC). No action was taken at this time.

State's Attorney Jim Devine reported he has prepared a new resolution regarding mileage allowance. Under the new resolution the allowance, as determined by the Internal Revenue Code, can be altered at any time to that which is currently allowed by the Internal Revenue Code. It was moved by John Dowling and seconded to adopt the mileage allowance resolution. Motion carried. Effective October 1<sup>st</sup>, the prevailing mileage allowance will be 48.5 cents per mile.

The Committee reviewed the claims. It was moved by John Wilkening and seconded to pay the claims subject to County Board approval. Motion carried.

The Committee discussed the current internet network problems with County Programmer Tom Tuntland. Tom has identified the major problems, completed a network diagram identifying all users, and has prepared recommendations to correct and manage the network. Tom said all of the 68 identified computers with internet access via the T-1 lines should be provided with the same anti-virus software for consistency and should be centrally managed. Users should be educated concerning comprehensive virus protection and safe internet use. The County should work towards reducing the support burden by setting standards for PC's, operating systems, anti-virus, anti-spyware, E-mail clients, web browsers, and office automation tools. An "Acceptable User Agreement" should be drafted, with the assistance of the State's Attorney, and implemented. The County will pay for the initial rebuild of the network. Users may then be required to fund all or a portion of the continued maintenance of their systems. Tom said he does not have the time to do all of this work and would not have a problem with outside help coming in, as long as they work through himself or whoever is designated to be the systems manager. It was moved by John Dowling and seconded to designate Tom Tuntland as the Network Manager on a temporary basis. Motion carried unanimously. The first step will be to prepare the "User's Agreement", which must be signed by every user in order to remain on the T-1 network.

As there was no further business to come before the Committee, it was moved by Lowell Schmidt and seconded to adjourn at 12:42 P.M. Motion carried.  
Respectfully submitted.

**RESOLUTION NO. R2005-42**

**A RESOLUTION DETERMINING THE MILEAGE ALLOWANCE PAID BY THE COUNTY OF IROQUOIS**

**WHEREAS**, the County of Iroquois has considered the mileage allowance currently paid and has determined that said allowance for reimbursement purposes should be the amount allowed under the Internal Revenue code, effective October 1, 2005.

**NOW THEREFORE BE IT RESOLVED** by the Iroquois County Board that effective October 1, 2005, the mileage allowance paid by Iroquois County shall be the amount then allowed under the Internal Revenue code and as amended from time to time for business mileage reimbursement.

Passed and adopted this 11<sup>th</sup> day of October 2005.

s/Ron Schroeder  
RON SCHROEDER, Chairman of the  
Iroquois County Board
