### MOTION

Mr. Alt expressed concerns with the amount of rent the County was going to be missing out on should they accept a lowered amount from Head Start. He said the County would be losing out on approximately \$6,000 by allowing Head Start to pay their current rental rate. Chairman Shure felt there were 2 options: go along with the request or add the additional money on to the lease. It was noted that recouping the money through the lease was the intent of the Management Services Committee; however, the wording in the motion does not reflect the intention. It was moved by Mr. McTaggart and seconded to send the issue of the rental rate to be paid by Head Start back to committee for further review and action. The motion carried by a roll call vote.

An additional payment was made towards the loan but the check was returned stating additional payments are not allowed. Shure said the matter will be re-visited in 90-120 days.

- Ordered three new squads, should have them by April

Hagen submitted four additional claims for approval. The claims included reimbursement for a winter conference, radios and other equipment for the new squad cars, reimbursement for two of his staff to recover evidence in Colorado for a recent homicide and training for the two new deputies attending the 14 week academy. Hagen noted with the hiring of the two new deputies, there will only be three hours of the day where there is one deputy covering the area.

Coroner Bill Cheatum reported he has two deputies that cover for him when he is off and they also work one weekend each month. A temporary change is being made due to one of the deputies accepting a promotion. Cheatum said he spoke with County Board Chairman John Shure and Finance Manager Jill Johnson about selecting someone from his deputies list and paying them from his automation fund once a month until his other deputy knows what his schedule will be.

Probation Supervisor Barb King reviewed the Probation & Court Services activity report for January with the committee.

Judge James Kinzer reported his retirement date is August 2<sup>nd</sup>. It is his opinion that Associate Judge Mike Sabol will be named the next Circuit Judge. The Circuit Judges in Kankakee County and Iroquois County will have to appoint a new associate judge for Iroquois County.

State's Attorney Jim Devine requested approval for a resolution for the State's Attorney Appellate Prosecutor. The annual charge this year is \$9,000. It was moved by Jed Whitlow and seconded by Huse to approve the State's Attorney Appellate Prosecutor Resolution. Motion carried by a voice vote.

Circuit Clerk Lisa Hines distributed her monthly report to the committee for their review. A total of \$47,906.90 was received in fines and fees, \$5,275.45 was received from Credit Collection Partners and \$1,225.71 was received from IDROP.

Eric Raymond distributed the ETSB report for January. Raymond reported the ETS Board approved a GIS system costing \$85,000 and a recording system costing \$20,000.

There was no old business.

There was no new business.

The committee reviewed the claims. It was moved by Whitlow and seconded by Bard to pay the Judicial & Public Safety, subject to County Board approval. A roll call vote was taken. Motion carried.

As there was no further business to come before the committee, it was moved by Huse and seconded by Bard to adjourn the meeting at 3:29 P.M. Motion carried by a voice vote.

All of which is respectfully submitted.
