**THE
IROQUOIS COUNTY BOARD
OFFICIAL REPORT OF PROCEEDINGS**

The Iroquois County Board met in Recessed Session on Tuesday, July 14, 2020 at 8 A.M. The meeting was conducted electronically, via conference call, under Phase 4 of the Governor's Plan to reopen the State of Illinois and Executive Order 2020-44. The phased opening and executive order were issued in response to the COVID-19 pandemic, they require social distancing measures to be taken to stop the spread of the highly contagious virus and also suspend certain provisions of the Illinois Open Meetings Act to allow for public bodies to continue their course of business during the public health emergency. Chairman Shure called the meeting to order and asked County Clerk Lisa Fancher to call the roll.

MANAGEMENT SERVICES

Mr. Behrends, Chairman of the Management Services Committee, gave the report of his committee. At this time, it was moved by Mr. Bohlmann and seconded to remove from the report for separate consideration, the paragraph that refers to the extension of the County Farm Lease. The motion was seconded and carried by a roll call vote.

MANAGEMENT SERVICES

Motion

The Board discussed the County Farm Lease. Chairman Shure said he was contacted by Stephanie Spiros, with Walker Farms the current tenant, requesting the lease be extended for the period of one year. There is a clause in the current lease that would allow for the extension; however, the State's Attorney has not given his opinion on the matter. It was moved by Ms. Duby to table the lease extension for a month and send it back to the committee until State's Attorney Jim Devine gives his opinion on the extension. The motion failed by a roll call vote.

MANAGEMENT SERVICES

Motion

The Board continued discussion on the County Farm Lease and the proposed extension. Many Board members felt the current price of \$275 per acre would be hard to come by should the lease be put out for bid in August. Mrs. Crow said because of the lease being a highly charged issue, the Board should follow normal protocol and for transparency purposes should put the lease out for bid. Several Board members felt the current rate is very generous for the soil type on the particular parcels. Because it was unknown how long the extension offer would be on the table and several Board members felt action needed to be taken as soon as possible, it was moved by Mr. McGinnis to approve the contract extension pending State’s Attorney Jim Devine’s approval.

MANAGEMENT SERVICES

MOTION

There was a brief discussion regarding the proposed increase in the 911 lease and the need for the ETS Board to address the increase in their budget hearings. Because the 911 contract is set to expire before the next County Board meeting, ETS Director Eric Raymond confirmed that any back rent due as a result of an increase will be made after the rate is finally determined. It was moved by Mrs. Johnson and seconded to remove from the report, the paragraph that refers to the lease for 911 and send the issue back to committee until after budget hearings.

Balance of Report

The Board discussed the balance of the Management Services Committee report. In the report, a motion was made to accept Twin City Energy's recommendation of a 36-month term with Mansfield Energy at a fixed rate based upon pricing on July 14th, 2020. Mr. Behrends confirmed the current pricing was at .287/therm for the fixed rate and that would be the rate unless there was an objection. There was no objection so the term and pricing will be as listed above. It was moved by Mr. Behrends and seconded to approve the balance of the Management Services Committee report. The motion carried by a roll call vote.

County Board, Recessed Session
July 14, A.D., 2020

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Management Services** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on July 6, 2020 at 9:00 A.M. Members present Lyle Behrends, Charlie Alt, Paul Bowers, John Zumwalt and Sherry Johnson. Paul Ducat and Kevin Bohlmann were absent. Also present County Board Chairman John Shure, Maintenance Supervisor Chris Drake, County resident Roland King, Teri Tincher with Workforce Development and Chris Landstrom with Twin City Energy Services.

The meeting was called to order.

It was moved by Paul Bowers and seconded by John Zumwalt to approve the agenda. Motion carried by a voice vote.

During public comments County resident Roland King approached the committee about putting a group together to investigate the case on what the City of Watseka did to King's Corner, his former business. Mr. King noted there are many buildings in town that were built after King's Corner that have water running through them, parking garages underneath them, kitchens are in the basement and they are not ADA accessible. Management Chairman Lyle Behrends asked Mr. King to submit a letter to Executive Assistant Amanda Longfellow with his full request and she will disburse the letter to the County Board.

Teri Tincher with Workforce Development informed the committee of a drive-thru job fair they would like to hold in the parking lot of the Administrative Center this month. Ms. Tincher said the plan is to have vehicles enter through the north entrance and exit through the south entrance. It was moved by Zumwalt and seconded by Bowers to allow Workforce Development

to use the Administrative Center parking lot for their drive-thru job fair on July 14th. Motion carried by a voice vote.

Chris Landstrom with Twin City Energy Services presented his natural gas bid to the committee as follows:

Mansfield Energy (Rate 74)

- 12 months – NGI + \$0.0310/therm or \$0.2962/therm fixed price
- 24 months – NGI + \$0.0307/therm or \$0.2965/therm fixed price

- 48 months – NGI + \$0.0441/therm or \$0.3105/therm fixed price

MidAmerican Energy (Choice)

- 12 months – NGI + \$0.033/therm or \$0.3223/therm fixed price
- 24 months – NGI + \$0.033/therm or \$0.3170/therm fixed price
- 36 months – NGI + \$0.033/therm or \$0.3165/therm fixed price

Symmetry Energy (Rate 74)

- 12 months – NGI + \$0.0000/therm or \$0.2851/therm fixed price
- 24 months – NGI + \$0.0061/therm or \$0.2946/therm fixed price
- 36 months – NGI + \$0.0077/therm or \$0.2939/therm fixed price
- 48 months – NGI + \$0.0087/therm or \$0.2946/therm fixed price

Symmetry Energy (Choice)

- 12 months – NGI + \$0.0320/therm or \$0.3115/therm fixed price
- 24 months – NGI + \$0.0320/therm or \$0.3115/therm fixed price
- 36 months – NGI + \$0.0320/therm or \$0.3075/therm fixed price

Mr. Landstrom recommended the Mansfield Energy rate of \$0.2921/therm fixed rate for 36 months but he will update pricing again for Tuesday's board meeting. It was moved by Zumwalt and seconded by Sherry Johnson to recommend approving Twin City Energy's proposal for a 36 month term based upon pricing on July 14th. A roll call vote was taken. Motion carried.

(The following paragraph was removed from the report for separate consideration per action taken by the full County Board at their Recessed Session County Board meeting July 14, 2020.)

The committee discussed the upcoming expiring County Farm lease. County Board Chairman John Shure said he received a phone call from Stephanie Spiros with Walker Farms

stating their interest in extending the lease another year. Shure and Management Chairman Lyle Behrends have read through the lease and do not see a problem with the extension but they are waiting to hear back from State's Attorney Jim Devine regarding the matter. It was moved by Bowers and seconded by Zumwalt to extend the County Farm contract with Walker Farms for one year at the current price of \$275 per acre, pending State's Attorney Jim Devine's approval. A roll call vote was taken. Motion carried.

Maintenance Supervisor Chris Drake's report included the following:

- The new heat pump that services the main hallway and employee breakroom has been installed.
- A fall in the Administrative Center parking lot was reported to Drake due to the uneven concrete. Drake said he has a work order placed to repair the areas.
- M&L Lawncare is going to spray the bag worms in the trees.
- The backflow preventer was recertified this month at the Courthouse.
- There have been issues at the Jail with the main electric panel. B&D Electric switched out the main breaker to resolve the issue.
- The new garbage disposal has been installed in the Jail kitchen.
- Drake discussed the ejector pits that are outside the Courthouse and Jail. He explained they sit full of water and cause water to get into the Jail basement. B&D got the electric running again and Hiltz pumped both pits out. New pumps will be installed.
- Drake met with James McDonnell with SmartWatt to fix scheduling issues on the Jail thermostat.
- Drake said he still plans to have the 6 dead trees removed from the property.

Johnson informed the committee she received an email from Ameren asking for approval from the County Board for an easement request. The easement is for electricity to be used at the soccer fields. It was moved by Charlie Alt and seconded by Zumwalt to proceed with the easement for the soccer field, pending State's Attorney Jim Devine's approval. Motion carried by a voice vote. Sherry Johnson abstained. Behrends requested Johnson also provide the committee with the easement plans.

(The following paragraph was removed from the report and sent back to committee per action taken by the full County Board at their Recessed Session County Board meeting on July 14, 2020.)

The committee discussed the 911 lease which expires July 31, 2020. It was moved by Johnson and seconded by Zumwalt to increase the monthly rent to \$9 per square foot on the 911 lease effective August 1, 2020. A roll call vote was taken. Alt, abstain; Bowers, aye; Zumwalt, aye; Johnson, aye; Behrends, aye. Motion carried.

There were no updates on the USDA improvements.

The committee discussed the Headstart lease and the three options that were provided to them for payment. Headstart is still behind on their monthly rent but the letter explaining their options didn't get sent to them until June.

The waste disposal contract expires in July, however this doesn't allow time to put the service out for bid. Executive Assistant Amanda Longfellow will contact the vendor to explain the circumstance and find out what our options are.

The committee reviewed the claims. It was moved by Johnson and seconded by Alt to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Alt and seconded by Bowers to adjourn at 10:20 A.M. Motion carried.

WASTE DISPOSAL CONTRACT

The Waste Disposal Contract for garbage services at the Administrative Center, Courthouse, and Jail is up for renewal and ends before the August County Board meeting. Mr. Behrends confirmed that the current contracted provider is willing to work on a month to month basis at the same rate as the current contract which is \$100 for the Courthouse/Jail and \$140 for the Administrative Center. They are also willing to extend the contract for 1 or 2 years at the same rate, depending on the consensus of the Board. It was moved by Mr. Ducat and seconded to approve a month to month waste disposal service at the current rate and send the service out for bid. The motion carried by a roll call vote.

County Board, Recessed Session
July 14, A.D., 2020

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Health** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on July 7, 2020 at 9:00 A.M. Members present were Barbara Offill, Jed Whitlow, Ernie Curtis, Roger Bard, Kevin Coughenour and Leanne Duby. Also present County Board Chairman John Shure and ICPHD Administrator Dee Schippert, EMA Director Eric Ceci, County Clerk Lisa Fancher, Animal Control Director Dr. Youssef, Animal Control Warden Linda Rivard and County Board member Marvin Stichnoth.

The meeting was called to order.

It was moved by Kevin Coughenour and seconded by Jed Whitlow to approve the agenda. Motion carried by a voice vote.

The committee reviewed the claims. It was moved by Whitlow and seconded by Coughenour to pay the claims, subject to County Board approval. A roll call vote was taken. Motion carried.

There were no public comments.

Animal Control Director Dr. Youssef gave his report for June which included 1 bat that tested negative for rabies, 7 dogs and 3 cats picked up and brought to the clinic. Dr. Youssef spoke with Vermilion County and they would like the County to begin paying for FIV (Feline Immunodeficiency Virus) for cats and heartworm for dogs. They cost for these is between \$40 and \$50. Dr. Youssef said he may look into another shelter or talk with Vermilion County about the charges. Dr. Youssef also said he attended a meeting with State's Attorney Jim Devine and Animal Control Warden Linda Rivard to discuss "at large" dogs. Rivard is called to a case, tickets are issued, the individual doesn't show up the court and the cycle begins again. Dr. Youssef said they asked Devine's opinion on what their next step would be. In this instance, Animal Control can take the animal and bring it to the Animal Control facility. ICPHD Administrator Dee Schippert thanked Dr. Youssef for the excellent communication between the health department and the animal control office.

There were no updates on the grants and contracts.

ICPHD Administrator Dee Schippert reviewed the summary report of programs. There were no food inspections for April or May but 18 inspections in June. The health department collected 27 water sample kits. There have been no positive west nile cases in Iroquois County. Schippert reported 157 cases of COVID-19 at the end of June. Currently, there are 168 cases. The health department is open to the public and taking walk-ins again. Senior Service numbers have increased with a total client base of 188. Schippert spoke about the emergency senior services grant that is available for individuals 60 years of age or older that are in need of buying groceries. This grant will continue for another year. Individuals can contact the Director of Senior Services Emily Shay at the health department for more information. If the individual is under the age of 60 and are in isolation or quarantine due to COVID-19, the health department is required by law to provide for their needs. The COVID Crisis Grant is used in these instances.

Health chairman Barbara Offill asked Schippert if the virus is on the rise again. Schippert answered there were 6 more cases yesterday. As with most viruses, there is almost always a second wave. Offill also asked Schippert to explain the mutation of the virus. Schippert explained the main goal of the virus is to stay alive and spread. As viruses try to survive, they become more resistant to temperature and other environmental factors. Schippert said the virus will either mutate and become stronger as it spreads or become weaker and she believes it's becoming weaker. Schippert also noted when testing began, we were only testing those that were hospitalized. Then it opened up to those that were sick enough to be seen in a physician's office or healthcare workers. After that, those that were in long term care facilities could be tested. Now anyone can be tested.

Schippert explained the quarantine process. A person must remain quarantined until 14 days after their last exposure to the person who tested positive for COVID-19.

County Board Chairman John Shure reminded committee members the County Board meeting will be held at the Highway Department at 8:00 A.M. on Tuesday, July 14th.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by Leanne Duby and seconded by Bard to adjourn at 9:40 A.M.

All of which is respectfully submitted.

County Board, Recessed Session
July 14, A.D., 2020

Mr. Chairman and Members of the County Board:

Your Committee to whom was referred **Tax/Zoning** would beg leave to submit the following report on the matters before them:

Your Committee met at the Administrative Center on July 7, 2020 at 10:00 A.M. Members present were Marvin Stichnoth, Ernie Curtis, Barbara Offill, Roger Bard, Kevin Coughenour, Leanne Duby and Jed Whitlow. Also present County Board Chairman John Shure, County Clerk Lisa Fancher, Treasurer Kurt Albers, Supervisor of Assessments Bob Yergler, ICPHD Administrator Dee Schippert and County Clerk Chief Deputy Breein Suver.

The meeting was called to order.

It was moved by Barbara Offill and seconded by Roger Bard to approve the agenda. Motion carried by a voice vote.

The committee reviewed the claims. It was moved by Kevin Coughenour and seconded by Jed Whitlow to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

There were no public comments.

The department heads gave their monthly reports:

- County Clerk Lisa Fancher reported she discussed Senate Bill 1863 during the June Finance committee meeting. Fancher said applications for vote by mail ballots will have to be sent out to anyone that voted in the last three elections. The purpose of vote by mail is to keep the polling places less busy due to COVID-19. Fancher noted the presidential election is the highest voter turnout election with approximately a 75-80% turnout. The CARES Act has awarded Iroquois County with \$49,736. These funds are to be used towards specific items such as mailing out the vote by mail applications, the additional staff required in the office to check voter signatures, face masks and cleaning supplies for the polling places. Iroquois County received another grant in the amount of \$14,040 for postage. This grant will cover the vote by mail applications and vote by mail ballots being sent with the exception of 8%. Fancher explained it was determined across the State of Illinois that the average vote by mail since 2016 was 8%. If a voter would like to know that their vote was received via mail, they may call or email the County Clerk's Office. Vote by mail applications have to be mailed out by August 1st and early voting begins September 24th. Votes are counted up to 14 days after the election if they are postmarked by midnight on Election Day. Fancher also informed the committee that Anheuser Busch is donating 370 eight ounce bottles of hand sanitizer, which amounts to 10 bottles per precinct, and 1 gallon per precinct for refills. Lastly, Fancher reported her office is going live today with their new recording program, Avid.

- Treasurer Kurt Albers reported the first tax collection deadline was July 1st and approximately 50% has already been collected. A tax distribution will occur before the end of July. Also, the annual property tax sale will be held October 2nd. The tax sale process will be handled through the mail this year instead of a live auction.
- Supervisor of Assessments Bob Yergler reported the assessor changes are almost complete and they will begin to abstract on the assessor level. The new land use map off the GIS system has been implemented and incorporated into Devnet. Farmland assessments will be slightly different. Yergler said his office will be sending out a mailing in the fall to all farmland owners with their soil sheets attached.

The Planning & Zoning report for June was distributed to the committee as follows:

- Building Permits – June 2020
 - Agriculture – 1
 - Residential – 10
 - Wind Towers

- Zoning Board of Appeals will meet at the end of July for two hearings. One is for conditional use in Milford and the other is for a rezoning in Milks Grove.

Fancher presented a list of election judges to be approved by the County Board. She explained this is the first step in the commissioning of election judges' two year term that will cover three elections. Once approval has been given by the County Board, there will be a court date this month to be commissioned by the court. Election judge training will be held and another court date will follow the training. It was moved by Whitlow and seconded by Coughenour to approve the list of election judges. Motion carried.

Fancher explained the County's delinquent tax agent, Joseph Meyer, sold a parcel to the Village of Donovan and approval of the resolution is needed by the committee. It was moved by Leanne Duby and seconded by Ernie Curtis to approve the resolution for the sale of property acquired through the delinquent tax program. Motion carried by a voice vote.

There was no old business.

During new business, County Board Chairman John Shure noted the County Board meeting is tentatively scheduled for 8:00 A.M. rather than 9:00 A.M. at the Highway Department on July 14th.

As there was no further business to come before the committee, it was moved by Coughenour and seconded by Curtis to adjourn the meeting at 10:36 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

County Board, Recessed Session
July 14, A.D., 2020

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Judicial & Public Safety** would beg leave to submit the following report on the matters before them:

Your Committee met at the Courthouse on July 8, 2020 at 3:00 P.M. Members present were Lyle Behrends, Roger Bard, Steve Huse, Donna Crow, Chad McGinnis and Jed Whitlow. Paul Ducat was absent. Also present Coroner Bill Cheatum, Probation Supervisor Barb King, 911 Director Eric Raymond and County Board Chairman John Shure.

The meeting was called to order.

It was moved by Steve Huse and seconded by Jed Whitlow to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Coroner Bill Cheatum reported no updates for the month. Donna Crow asked whether or not Cheatum's numbers have gone down during the pandemic. Cheatum said the autopsies have decreased, as well as vehicular deaths. Cheatum informed the committee there have been 4 overdoses and 0 suicides for the year. Crow also asked how COVID-19 deaths are being recorded if the individual had other underlying health problems. Cheatum explained COVID-19 would be listed as a "contributing factor" on the death certificate.

Probation Supervisor Barb King reviewed the Probation & Court Services activity report for June with the committee.

911 Director Eric Raymond distributed his monthly ETSB report to the committee. Raymond reported police and fire numbers have increased as we have entered into phase 4. Also, overtime for the telecommunicators is much higher but this is anticipated as we enter into the summer months. Raymond also reported the dispatch center is fully staffed.

There was no old business.

There was no new business.

The committee reviewed the claims. It was moved by Whitlow and seconded by Chad McGinnis to pay the Judicial & Public Safety claims, subject to County Board approval. A roll call vote was taken. Motion carried.

As there was no further business to come before the committee, it was moved by Crow and seconded by Huse to adjourn the meeting at 3:12 P.M. Motion carried by a voice vote.

All of which is respectfully submitted.

County Board, Recessed Session

July 14, A.D., 2020

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **Finance** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on July 9, 2020 at 9:00 A.M. Members present were Michael McTaggart, Charlie Alt, Paul Bowers, Ernie Curtis, Marvin Stichnoth, Joe Young and Sherry Johnson. Also present County Board Chairman John Shure, Finance Manager

Jill Johnson, Treasurer Kurt Albers, County Clerk Chief Deputy Breein Suver, Probation Director Tom Latham, Supervisor of Assessments Bob Yergler, EMA Director Eric Ceci, 911 Director Eric Raymond, IEDA Director Ken Barragree and Myron Munyon with Compass Insurance.

The meeting was called to order.

It was moved by Joe Young and seconded by Paul Bowers to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Myron Munyon with Compass Insurance reported the sexual harassment training held by Tim Drury with Bliss McKnight went well and Mr. Drury has offered to hold additional trainings, if necessary. Finance Manager Jill Johnson said as of now the County is approximately 85% complete with the training. The majority of those that have not completed the training are part-time employees.

The department heads gave their monthly reports. They are as follows:

- Probation Director Tom Latham reported the Probation Department will receive an additional \$76,000 in revenue this year and an increase going forward in 2021.
- 911 Director Eric Raymond reported the ETSB Board met last night and began budget discussions. Raymond received approval for a grant in the amount of \$104,000 for a 911 phone recording system and the Next Gen GIS project. Lastly, all 911 staff have completed the sexual harassment training.
- Treasurer Kurt Albers reported the first installment of property taxes has been collected. The first tax distribution will go out towards the end of July. Albers said he reached out to State Representative Tom Bennett's office and was put into contact with someone at the Illinois Department of Revenue. They are estimating County sales tax numbers to be down approximately \$4,000 for the year.
- IEDA Director Ken Barragree reported he continues to speak with business owners about grant funding that may be available to them.

The FY21 budget hearings are scheduled for July 21st and July 23rd. Johnson said she has had minor changes to the schedule and she will send out revised schedules prior to the meeting dates.

The committee reviewed the claims. Johnson reminded the committee that the claims sheet is now being emailed to save on paper costs. However, if anyone would like a paper copy they can request one from the Finance Office. Positive feedback has been received about emailing the claims list because it allows more time for the claims to be reviewed. Johnson said she will also be sending out a list of all the current email addresses on file for the County Board Members as there seems to be some concern about board members not receiving emails. Sherry Johnson requested Finance Manager Jill Johnson research the claim from AreaWide for the failed SAN controller battery. It was moved by Charlie Alt and seconded by Ernie Curtis to pay the claims subject to County Board approval. A roll call vote was taken. Motion carried.

There was no old business.

During new business, Johnson noted copies of sexual harassment certificates are located in the Finance Office. If employees need a copy for their records or for another employer, they may stop in the office at any time to get a copy.

As there was no further business to come before the committee, it was moved by Marvin Stichnoth and seconded by Bowers to adjourn at 9:20 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

**STATE OF ILLINOIS
IROQUOIS COUNTY**

County Board, Recessed Session
July 14, A.D., 2020

Mr. Chairman and members of the County Board:

Your Committee to whom was referred **I.T.** would beg leave to submit the following report on the matters before them:

Your committee met at the Administrative Center on July 9, 2020 at 9:39 A.M. Members present were Michael McTaggart, Joe Young, Paul Bowers, John Shure and Marvin Stichnoth. Also present Finance Manager Jill Johnson, County Clerk Chief Deputy Breein Suver, 911 Director Eric Raymond and Michael Taber with AreaWide.

The meeting was called to order.

It was moved by Marvin Stichnoth and seconded by Paul Bowers to approve the agenda. Motion carried by a voice vote.

There were no public comments.

Michael Taber with AreaWide reviewed the I.T. recommendations with the committee. They are as follows:

- The SAN server replacement is typically replaced after 5 years. Our current server is 6 years old. The warranty can be extended up to 7 years, allowing one more year of an extended warranty. The pricing for replacement is \$27,269.69 and includes the new piece of hardware and labor. The committee agreed to extend the warranty

for another year on the SAN server at an approximate cost of \$1,500. In relation to the SAN, Finance Manager Jill Johnson said there were questions during the Finance committee meeting about the failed SAN controller battery. Taber said the SAN had a bad controller battery and was covered by warranty. There were no costs associated. There was also a bad battery on the backup server which does not have a warranty. The cost for replacement was less than \$100.

- Per County Board Chairman's John Shure's request, Taber gathered information in regards to document management and scanning. Taber reached out to two vendors for pricing on software and equipment. One quote came in at \$525 for software and \$17,250 for the equipment. Taber is waiting for the quote on the second vendor. Johnson added she is in contact with the State of Illinois about what documents need to be kept and what documents can be destroyed.
- There are no significant updates on email security. Johnson continues to send test emails through Knowbe4. The annual renewal cost for Knowbe4 is \$2,400.
- Taber distributed AreaWide's hourly review for the month to the committee.
- AreaWide worked with the health department to shut down two servers with very low usage.
- Taber gave an update on the workstation upgrades from Windows 7 to Windows 10 station. There are 18 remaining workstations that need upgraded.
- Server upgrades include Iroquois-Sage, Iroquois-CAD and Iroquois-Fidlar. County Clerk Chief Deputy Breein Suver noted their server upgrade went into effect July 6th and the old server can be decommissioned.
- Discussion was held on possible changes to the internet connection for the County. Currently the County is paying approximately \$2,000 to AT&T for phone and internet per contract. If the County would like to lock into a 2 year agreement with AT&T, the monthly charge would be \$1,400. The committee has also discussed the option of switching to Illinois Century Network (ICN) for internet service only and keeping phone service with AT&T. The cost for internet and phone would be \$1,000 per month. The need for a new phone system has also been discussed. The vendor that provides support for the phones has retired and there were concerns with the outdated wiring. There is a \$15 per month charge per phone with the new phones that were quoted. There are currently 102 phones and 20 fax lines. The phone and fax lines do not include the Highway Department, Sheriff's Department or 911. Taber suggested not locking into an agreement with AT&T if we plan to switch phones within the next two years. The committee requested Taber get updated quotes from ICN and AT&T for phone and internet.
- A switch renewal for warranties is needed. It was moved by Joe Young and seconded by Bowers to approve the renewal of the next business support on the Dell N1548 switches in the amount of \$668.10. A roll call vote was taken. Motion carried.
- Three bids were received for website replacement. AreaWide offered to make very little changes to the County website but make it more secure at a cost of \$21,875. Another vendor's bid came in at \$21,900 to build a brand new website but an annual cost of \$5,827.08 is also associated. Taber will get updated quotes from the vendors.

There was no old business.

There was no new business.

As there was no further business to come before the committee, it was moved by John Shure and seconded by Bowers to adjourn at 10:44 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.

County Board, Recessed Session
July 14, A.D., 2020

Mr. Chairman and members of the County board:

Your Committee to whom was referred **Transportation & Highway** would beg leave to submit the following report on the matters before them:

Your committee met at the Iroquois County Administrative Center on July 10, 2020 at 9:03 A.M. Members present were Charlie Alt, Joe Young, Steve Huse, John Zumwalt, Sherry Johnson and Chad McGinnis. Donna Crow was absent. Also present County Engineer Joel Moore and County Board Chairman John Shure.

The meeting was called to order.

There were no public comments.

It was moved by Sherry Johnson and seconded by Joe Young to approve the agenda. Motion carried by a voice vote.

The claims and financial reports for the month were reviewed. It was moved by Johnson and seconded by Steve Huse to pay the bills subject to County Board approval. A roll call vote was taken. Motion carried.

County Highway	\$60,147.35
County Bridge	\$6,611.77

County Matching	\$374.56
TBP	\$45,247.32
County MFT	\$206,515.69
Township MFT	\$1,121,722.06

County Engineer Joel Moore discussed the FY21 budget with the committee. Moore reported no major budget changes for County Highway. Moore increased road supplies and construction for culvert costs and purchase of equipment was also increased for the possibility of purchasing a single axle dump truck. County Bridge Funds is used when a township wants to replace a bridge or culvert. Matching Tax is the levy used to match federal funds for County projects. County Motor Fuel Tax has a large change on the income side. There is a revenue line item for Rebuild Illinois which is a new three year program that is part of the MFT increase. We are receiving six payments over the next three years and each payment will be \$462,000. The funds have to be tracked separately and cannot be used on maintenance. Township Bridge Program is budgeted at \$365,000 which is the state allotment. Moore said we don't receive the funding until the project is let out. Township Motor Fuel Tax budget numbers are based upon what projects the road commissioners are going to do later in the year. The remaining budget numbers include a 2.5% salary increase for employees and an increase in overtime.

During new business, Moore informed the committee he was contacted about an issue with a pothole and he sent someone right away to fix it. Unfortunately, someone drove through the pothole before it could be repaired and blew their tire. They contacted Moore and asked for reimbursement on replacing the tire. Moore explained our typical policy is not to pay for items such as these. The committee agreed with Moore and reimbursement will not be issued.

There was no old business.

As there was no further business to come before the committee, it was moved by John Zumwalt and seconded by Young to adjourn at 9:29 A.M. Motion carried by a voice vote.

All of which is respectfully submitted.
